# PIATELLA GLASS BOTTOM BOAT TOURS

[www.glassbottomboatwa.com.au](http://www.glassbottomboatwa.com.au)

An aerial photograph of a white boat with a grey canopy moving through clear, turquoise water. The water's clarity reveals a dark, textured coral reef beneath the surface. The boat is leaving a white wake behind it.

*Introducing a new way to explore the incredible Abrolhos*

Located just a 30 minute flight from Geraldton, visit Western Australia's hidden gem.

Discover the natural beauty of 122 islands which surround a pristine tropical coral reef, covering 100kms in length.

For an unforgettable holiday experience you can tour the Abrolhos Islands coral reef system, from above the water, with Piatella Glass Bottom Boat Tours.

Guided tours will allow you to sit back, relax and enjoy this truly unique piece of Australia from the comfort of our state-of-the-art vessel. Board the beautiful Piatella and look through the magnified glass bottom to see spectacular sights of the reef. Enjoy the breathtaking view of many of the 380 species of fish that call the Abrolhos home, in their natural environment.

*The Abrolhos Islands are a "must see" when visiting Geraldton.*
